

God Is In The Rain

Suicide Commando

God's written
Words of lies
God has given
(Us a) world of lies
(The) blind, crippled, and diseased
Death is coming over me

God is real
Believe me
God is real
Release me
God is real
Abuse me
God watches over me

If god is in the rain
Please let it rain on me
If god is in the rain
Please let him down on me
(x2)

God's written
Book of lies
God has given
A world that dies
(The) poor, lepers, half deceased
Death is coming over me

God is real
Believe me
God is real
Release me
God is real
Relief me
God watches over

If god is in the rain
Please let it rain on me
If god is in the rain
Please let him down on me
