

## On Nation Under God

### Suicide Commando

Blood & disorder  
Deadly efficiency  
New world order  
Pain brings victory  
War is over  
Your grief is history  
War Is over  
Your cross, my memory

Blinded by power  
Blunt hypocrisy  
Died for power  
Shot by the enemy  
War is over  
Your grief is history  
War is over  
Your cross, my memory

One nation under god  
One death  
One god
