

Save Me

Suicide Commando

I want to know
If she's worth
For me to live
On this world
I want to know
I want to go
And say goodbye
I want to die
Don't want to live
Don't want to live
Don't want to live
Don't want to live
I want to go
I want to die
I want to go
I want to die
Die
Die
Save me
