

## The Killing Game

### Suicide Commando

1, 2, 3, 4 Bodies high on the floor.  
5, 6, 7, 8 Dying to lose your fate.  
We're all gone insane.  
Life is just a killing game.  
Killing you, killing me;  
It's just all the same.

1, 2, 3, 4 What on earth are you waiting for?  
5, 6, 7, 8 Why don't you celebrate?  
We're all gone insane  
Life is just a silly game  
Killing, hurt, raining death  
We all die in vain.
