## **The Killing Game**

## Suicide Commando

1, 2, 3, 4 Bodies high on the floor. 5, 6, 7, 8 Dying to lose your fate. We're all gone insane. Life is just a killing game. Killing you, killing me; It's just all the same.

1, 2, 3, 4 What on earth are you waiting for?
5, 6, 7, 8 Why don't you celebrate?
We're all gone insane
Life is just a silly game
Killing, hurt, raining death
We all die in vain.
