

## The Reformation

### Suicide Commando

See what I have made  
My own creation  
Building my own Christ  
Revivification  
Stitching body parts  
Stealing the heart  
This is your new hell  
And this is your god

Reformation

See these mortal remains  
Reincarnate  
Grinding into dust  
This is my hate  
Stitching body parts  
Stealing the heart  
This is your new hell  
And this is your god
