

# Run

## Suicide Silence

Run

I'm sorry is something that I'll never say  
And I don't expect it from you  
I want you to know how I'm doing and where I've been  
Even though I already know  
You know

I've been so cold  
I've been so cold

I hope you know how it feels to get away  
I bet you know, I bet you know  
Don't run away from me  
I bet you know how it feels to get away  
I bet you know, I bet you know  
Don't run away from me

Cause I'll run right towards you and I will embrace you  
In that you'll be there for me too  
You were my friend even in my imagination  
You were my friend invisibly  
A father's grip

I've been so cold  
I've been so cold

I hope you know how it feels to get away  
I bet you know, I bet you know  
Don't run away from me  
I bet you know how it feels to get away  
I bet you know, I bet you know  
Don't run away from me

Don't run  
Don't run  
Run

Don't run  
Run  
Run  
Don't fucking run

I bet you know how it feels to get away  
I hope you know, I hope you know  
Don't run away from me  
I bet you know how it feels to get away  
I bet you know, I bet you know  
Don't run away from me
