

Wake Up

Suicide Silence

Wake up, wake up!
This is no hallucination
This is what we have become
This is what dreams are made of
Go look in the mirror.

Wake up, wake up!
This is no hallucination
Wake up, wake up!
This is no hallucination

Do we still exist?
I can't see my face.
Or are we just rot here?
I can't see my face.

Wake up, wake up!
This is no hallucination
This is what we have become
This is now what dreams are made of.

Wake up, wake up! (7x)
Come on, come on you've got to wake the fuck up

Wake up, wake up!
This is more than you bargained for
It took so long so you ate some more
You did too much man, you did too much!

Wake up, wake up! (4x)
