

You started crying right in front of me
So then i embraced you and i swore i'd never let you go.
I would never let you hurt yourself, like i do
Then i pulled you tighter and i never wanted to let go.

Try to see it through my eyes - for the first time
Understand, it's further from the truth.
Try to see it through my eyes - for the last time
Understand, it's further from the truth.

Just the other day you were standing next to me with tears in y
our eyes

My eyes are blurring
The colors washes out
I need to see it with my own eyes

I've started... I've started to fade out
I just wish i could believe in what i see.

Don't show the tears in your eyes
Don't show what i'm becoming.
