

Best Of Me

Sum 41

1. It's so hard to say that I'm sorry I'll make every thing alright

all these things that I've done now what have I become and where they go wrong

I don't mean to hurt just to put you first I won't tell you lies I'm sorry

I will stand accused with my hand on my heart, I'm just trying to say;

R: I'm sorry, it's all that I can say

you mean so much and I'd fix all that I've done, if I could start again

I threw it all away, to the shadows of regrets and you would have the best of me

2. I know that I can't take back all the of the mistakes but I will try

although it's not easy I know you believe me cause I would not lie

don't believe the lies, don't they call inside they don't understand I'm sorry

I will break your heart, I will bring you down, but I will have to say;

R: I'm sorry... (2x)
