

We're faster, we're falling  
We're stopping and stalling  
We're running in circles again  
Just as thing were looking up you said it wasnt good enough  
But still we're trying one more time

Maybe we're just trying to hard, when really its closer than it is to  
o far

'Cause i'm in too deep, and i'm trying to keep  
Up above, in my head  
instead of going under  
'Cause i'm in too deep, and i'm trying to keep  
Up above, in my head  
instead of going under  
instead of going under

Seamslike each time it meet you i lose my mind,  
because i'm bending over backwards to be late  
Its one thing to complain but when your driving me insane  
Well then i think its time that we took a break

Mabey we're just trying to hard, when really its closer than it is to  
o far

'Cause i'm in too deep, and i'm trying to keep  
Up above, in my head  
instead of going under  
'Cause i'm in too deep, and i'm trying to keep  
Up above, in my head  
instead of going under(x3)

I cant sit back and wonder why, it took so long for this to die  
And i hate, when you fake it  
You cant hide it you might as well enbrace it  
So believe me, its not easy  
It seems that somethings telling me...

'Cause i'm in too deep, and i'm trying to keep  
Up above, in my head  
instead of going under  
'Cause i'm in too deep, and i'm trying to keep  
Up above, in my head  
instead of going under  
instead of going under again  
instead of going under  
instead of going under again  
instead of going under again  
again, again
