## Look At Me

Look at me, who am I supposed to be And what do I believe, can you tell me? Since you've made up your mind Who knows what you believe

And I just don't know No, I just don't know Who I'm supposed to be

Look at me Am I the image of your hopes and tragedies? Just look at me Will I ever be more than just a memory

'Cause you just don't know No, you just don't know All I am is me All I am is me All I am is me Sum 41
