

## Slipping Away

Sum 41

I'm slipping away  
In every way  
I can't stay awake  
I'm slipping away

But trying to make it  
Through each day  
I'm falling apart  
In every way  
I'm finding it hard  
To get by  
there's a hole in my heart  
And I don't know why  
And I've come to realize

I'm slipping away
