

# The Hell Song

Sum 41

Everybody's got their problems  
Everybody says the same things to you  
It's just a matter how you solve them  
And knowing how to change the things you've been through

I feel I've come to realize  
How fast life can be compromised  
Step back to see what's going on  
I can't beleive this happened to you

This happened to you

It's just a problem that I'm faced with am I  
Not the only one who hates to stand by  
Complications that are first in this line  
With all these pictures running through my mind

Knowing endless consequences  
I feel so useless in this  
Get back Step back  
And as for me, I can't believe

Part of me, won't agree  
Cause I don't know if this for sure  
Suddenly, suddenly  
I don't feel so insecure

Part of me, won't agree  
Cause I don't know if this for sure  
Suddenly, suddenly  
I don't feel so insecure  
Anymore

Everybody's got their problems  
Everybody says the same things to you  
It's just a matter how you solve them  
But what else are we supposed to do

Part of me, won't agree  
Cause I don't know if this for sure  
Suddenly, suddenly  
I don't feel so insecure

Part of me, won't agree  
Cause I don't know if this for sure  
Suddenly, suddenly  
I don't feel so insecure  
Anymore

Why do things that matter the most  
Never end up being our choice  
Now that I find no way so bad  
I don't think I knew what I had

Why do things that matter the most  
Never end up being our choice  
Now that I find no way so bad

I don't think I knew what I had
