

# Underclass Hero

Well I won't be caught living in a dead end job  
Afraid to a government content cause  
No sense against them  
We're here to represent  
And stare right in the face of the establishment.

And I wanna believe well you're frankly nothing  
Stand on my own a little sympathy  
Wasting the youth I'm feeling young and useless  
Speak for yourself Some blindfolded cause

Well because we're doing fine  
And we don't need to be told  
That we're doing fine  
Cause we won't give you control  
And we don't need anything from you  
Cause we'll be just fine  
And we won't be bought and sold  
Just like you

A call crossing in the crowd

Calling out loud with no respect  
I'm not the one, just another reject  
I'm the voice you affect I'll lose and protect  
I saw your up against the great America we'll rise again

I see a place we're nowhere  
Now if this is the time  
Another generation  
Burning the flag  
You're in the wrong no future  
Everyone see  
You better listen now  
Down with the mass

Well because we're doing fine  
And we don't need to be told  
That we're doing fine  
Cause we won't give you control  
And we don't need anything from you  
Cause we'll be just fine  
And we won't be bought and sold  
Just like you

May I have your attention please  
I pledge allegiance to the underclass as your hero at large.

We're the saints of degeneration  
We don't owe anyone an explanation  
The leaders  
We don't need this  
We're the leaders of disarray

Well because we're doing fine  
And we don't need to be told  
That we're doing fine  
Cause we won't give you control  
And we don't need anything from you  
Cause we'll be just fine  
And we won't be bought and sold  
Just like you
