

1. I don't want this moment, to ever end,
Where everything's nothing, without You.
I'll wait here forever just to, to see you smile,
Cause it's true, I am nothing without You.

Through it all, I made my mistakes.
I stumble and fall,
But I mean these words.

R: I want you to know, with everything I won't let this go.
These words are mine and so,
I hold on to this moment you know.
Cause I'd bleed my heart out to show, that I won't let go.

2. Thoughts read are spoken, forever in doubt.
And pieces of memories fall to the ground.
I know what i did and so, I won't let this go.
Cause it's true, I am nothing without You.

All the streets, where I walked alone,
With nowhere to go.
Have come to an end.

R: I want you to know...

*: In front of your eyes, it falls from the skies,
When you don't know what you're looking to find.
In front of your eyes, it falls from the skies,
When you just never know what you will find.
..what you willfind.. what you willfind.. what you willfind..

I don't want this moment, to ever end,
Where everything's nothing, without You!

R: I want you to know... (2x)
