

I Want You

Summer Camp

"Don't you ever wonder what it's like in there?
To be all by yourself like that. Hm..."
"Yeah I know. But he's weird, you know?
Like, I'm surprised he isn't looking at us right now."

You're so fine, you're so good
I need you.
And I think that if you thought about it you'd know you need me too.
Cause I want you, I want you,
I want you, I want you,
And if I could I'd squeeze your hand so tight every knuckle would crack
I'd wrap my arms around you and snap every bone in your back.
Cause I want you, I want you...

You're so smart, you break my heart.
I like you,
And I think that if you thought about it you'd know you'd like me too.
Cause I want you, I want you,
I want you, I want you,
I want you, I want you,
I want you.

If I could I'd kiss your lips so hard your entire face would bruise
Write your name in blood on every wall, it would make the evening news
I'd chain our feet together so that you could never leave,
I'd make you love me so much you'd have to ask permission to breathe.

You're so fine.
(I think about you all of the time it's driving me out of mind)
You're so cool
(I'm craving to have you inside, burn inside me like a fire)
I need you
(I'll give you everything I got).

Cause I want you, I want you,
I want you...
I want you, I want you,
I want you...

You're so smart (There's no you, there is no me - together for eternity)
You break my heart (If I didn't have you I don't know what I would do)
I like you (You know that I wanted you from the start)

Cause I want you, I want you,
I want you.
I want you, I want you,
I want you.
I want you, I want you,
I want you.

It's up to you, it's up to you.
It's up to you, it's up to you.
It's up to you, it's up to you.
It's up to you, it's up to you.
