

## Anti-Anthem

Sumo Cyco

Weather through the storm, keep on keeping On,  
Fly kites in the lightning, We sound the alarm,  
Pressure to play along, keep on, keeping on,  
White lies in the blizzard, blue blood on the lawn,  
I close my eyes one too many times,  
Waking up in a world of strangers. Waking up in a world of strangers.  
We are committed to our crimes,  
Waking up in a world of strangers. Waking up in a world of strangers.  
And this is all I know,  
We've got no Anthem, we've got no place to go!  
And this is all I know,  
We've got no anthem, we've got no place to go!  
Weather through the storm, keep on keeping On,  
Fly kites in the lightning, We sound the alarm,  
Pressure to play along, keep on, keeping on,  
White lies in the blizzard, blue blood on the lawn,  
Never, is much to long, ah  
Won't bow to the tension. Conviction is strong.  
And this is all I know,  
We've got no Anthem, we've got no place to go!  
And this is all I know,  
We've got no anthem, we've got no place to go!  
Ohh Ohh Oh Oh, Ohh Ohh Oh Oh,  
We've got no anthem! We've got no anthem!  
Ohh Ohh Oh Oh, Ohh Ohh Oh Oh,  
We've got no anthem, we've got no place to go!

I've been first class, spent cash,  
Been broke, no joke, nothing good ever lasts.  
Been sued been screwed been chewed up  
Been loved been lost, never used up!  
This world's not big enough for us,  
You hate, but you're singing that chorus.  
We're kings you can't ignore us, finding our stride, no guide doing it for us!

I close my eyes one too many times,  
Waking up in a world of strangers. Waking up in a world of strangers.  
We are committed to our crimes,  
Waking up in a world of strangers. Waking up in a world of strangers.  
And this is all I know,  
We've got no Anthem, we've got no place to...  
And this is all I know,  
We've got no anthem, we've got no place to go!  
And this is all I know,  
We've got no anthem, we've got no place to go!  
Ohh Ohh Oh Oh, Ohh Ohh Oh Oh,  
We've got no anthem! We've got no anthem!  
Ohh Ohh Oh Oh, Ohh Ohh Oh Oh,  
We've got no anthem, we've got no place to go!
