

Go Go Go

Sumo Cyco

Oh you did it now brother,
They're coming after you
They're gonna sick the dogs on your trail,
You better ruuuuuun!
GO!

You made a wrong turn,
I thought that you'd learn,
Always another way,
Bridges don't have to burn today
Blood on your T-Shirt,
The people you've hurt,
More than you've intended,
Hold on don't be offended!

I've got to break this down,
No turning back, not now!
Most wanted on the prowl,
The prowl, the prrrrrrowllllllllll!

You better hit the road brother!
Panic on patrol!
Monster 4x4!
Gonna go toe to toe with your sucker!
You better sell your soul!
Name's on the radio!
No self control now!
Mama said go go go brother!
Mama said go go go brother!

They tried to tell me,
I wouldn't listen,
Been so deep in denial,
Feels like my heart's on trial,
It's true hindsight
Is 20/20,
Maybe I could've saved you,
From the destruction you do!

You better hit the road brother!
Panic on patrol!
Monster 4x4!
Gonna go toe to toe with your sucker!
You better sell your soul!
Name's on the radio!
No self control now!
Mama said go go go brother!

You better hit the road brother!
Panic on patrol!
Monster 4x4!
Gonna go toe to toe with your sucker!
You better sell your soul!
Name's on the radio!
No self control now!
Mama said go go go brother!

I'm gonna break this down
I'm gonna break this down
I'm gonna break this down
I'm gonna break this down
I'm gonna break this down
I'm gonna break this down

I've been on your siiiiiiiiiide!
But it makes it hard when I
I've been on your side
I can't see reason's why
You're a snake that's been waiting to bite,
You can't wait to bite
Strangle me with your might!

I've got to break this down,
No turning back, not now!
Most wanted on the prowl,
The prowl, the prrrrrrowllllllllll!

You better hit the road brother!
Panic on patrol!
Monster 4x4!
Gonna go toe to toe with your sucker!
You better sell your soul!
Name's on the radio!
