Can't live by the rules of the sword  
When a gun's to your head  
And there's dirt throw in your eyes

I hear you call in' out to me  
I hear you callin' me

Dream, dream  
Lulabies aren't what they seem  
Seems like all I can do is SCREAM!

Because everyday is a sacrifice  
So just slice me in half with a butchers knife  
Never get it right  
It's the reason why  
I can't feel it  
Can't feel it  
I'm paralyzed  
Every moment postponed it another life  
And i'm terrified petrified of my lies  
Always justified faking to get by  
And your just hypnotized by my disguise  
Open your eyes  
Open your eyes!  
Open your...!!

Are you gonna be the villain in the story?  
Say you won't,  
Say you won't,  
Say you won't now...  
Say you won't!

Say you won't,  
Say you won't,
