

# Carry Me Ohio

Sun Kil Moon

Sorry that I could never love you back  
I could never care enough in these last days

Her tears fell on her pages found me well on her words  
I don't know what to do or say

Wading through warm canals and pools clear blue  
Tuscarawas flow into the great lake

Riding back where the highway met dead-end tracks  
The ground is now cement and glass and far away

Heal her soul and carry her, my angel  
Ohio

Green, green youth  
What about the sweetness we knew  
What about what's good, what's true from those days

Can't count to all the lovers I've burned through  
So why do i still burn for you  
I can't say

Sorry that I could never love you back  
I could never care enough in these last days

Heal her soul and carry her, my angel  
Ohio

Children blessed  
Gather round the home she rests  
So poor and cold in their Midwest moon and sun

Flashes bringing on my open eyes to lightning storm  
The touch of mist felt soft, felt warm on my face

Graving dreams  
A million miles ago you seem  
The star that I just don't see anymore

Words long gone  
Lost on journeys we walked on  
Lost are voices heard along the way

Sorry for never going by your door  
Never feeling love like that anymore

Heal her soul and carry her, my angel  
Ohio
