

# I'll Be There

Sun Kil Moon

You and I must make a pact, we must bring salvation back  
Where there is love, I'll be there

I'll reach out my hand to you, I'll have faith in all you do  
Just call my name, I'll be there

I'll be there to comfort you  
Build my world of dreams around you, and I'm so glad that I found you  
I'll be there with a love that's strong  
I'll be your strength, and I'll keep holding on

And if you should ever find someone new, I know he'd better be good to you  
'Cause if he isn't, I'll be there

I'll be there to protect you, with a love that respects you  
Just call my name and I'll be there

Let me fill your heart with laughter  
Togetherness is all I'm after  
Whenever you need, I'll be there
