## **Flatland Spider**

## Sunny Day Real Estate

Snow keeps piling up and Killing flowers That hurts my head To crawl inside a spinefish To move it's mouth and To bet and to win I miss my mother's arms and The soda farm where I broke my hand I fit the wrong way in and I'm liking it But I wanted a kiss I fall in It's automatic I crawl It's automatic (2x) It's automatic (3x) This kid was selling powder He had a hat on And he took my name "just for our private files in Case we need a hand or You run into him" I'll suck this panda's thumb and Wait for monday To shave my head Small fires still burn up fuel and They eat the guts out first then They break into fits I fall in It's automatic I crawl It's automatic (2x) It's automatic (3x) To forget I (2x) You will Disremember me (6x) I fall in It's automatic I crawl It's automatic (2x) It's automatic (3x)
