

## In Circles

Sunny Day Real Estate

meet me there  
in the blue  
where words are not  
the feeling remains  
sincerity  
trust in me  
throw myself into your door...

i go  
in circles (running down)

meet me there  
in the blue  
where words are not  
the feeling remains  
i dream  
to heal your wounds  
but i bleed myself  
oh i bleed myself

i go  
in circles (running down)
