## **Pheurton Skeurto**

## **Sunny Day Real Estate**

How will they know Just where to find? Under this bridge I lie down

See how they run
Catch butterfly
Trip over words
With gifts and garage
Pheurton

How will they learn Just where to find? Down on their knees Holding hairpiece

See how they flock
Ten for some grapes
Trip over words
With gifts and garage
Pheurton dance

How will they learn? How will they learn? How will they learn?
