Bad Girl Phase

Sunny Sweeney

Gonna line my eyes, I'm gonna paint them black
Gonna lose my red lipstick to a whiskey glass
I want one of those nights that goes on for days
I'm in a bad girl phase

Yeah I know where the good book stands
But right now I just can't love one man
My moral compass is taking a break
I'm in a bad girl phase

The devil on my shoulders got my ear right now
The devil on my shoulder wants a beer right now
And a cigarette and a new boyfriend or two
Cuz ones no fun and love just wastes
On a good girl going through a gone wild stage
So don't be fooled by this angel face
I'm in a bad girl phase

So you can throw stones
At my hell bent heart
I'm just doing in the light what you want to do in the dark
And I won't be sorry for all the hell I've raised
I'm in a bad girl phase

The devil on my shoulders got my ear right now
The devil on my shoulder wants a beer right now
And a cigarette and a new boyfriend or two
Cuz ones no fun and love just wastes
On a good girl going through a gone wild stage
So don't be fooled by this angel face
I'm in a bad girl phase

Good girls say no, bad girls say I'm there
Good girls go to heaven, bad girls go everywhere
Good girls say no, bad girls say I'm there
Good girls go to heaven, and I'm going everywhere
