

Fairytale Destruction

Sunrise Avenue

There is an end for all
Even the strongest feelings can fall
We ain't nothing but a minute away from tears

We got to appoint I can't stand
I've had it to the limit, I wound pretend
I ain't more than a minute away from walking

We can't cry the night away
We can't find a need to stay
Only lieing words would sound there on our side

Out of my life, out of my mind
Out of the scene that we can't defind
We've bin together but so alone
Trying all the tricks but no
Out of my head, out of my bed
Out of the dreams that we had, they're bad
We ain't nothing but
Fairytale Destruction

Another night and I bleed
They all make mistakes and so did we
I ain't nothing but a men with the hateing heard
Find a new one to fool
Beeing an Idiot, well I won't swallow
Even that was your phrase to make feel alone

We can't cry the night away
We can't find a need to stay
Only lieing words would sound there on our side

Out of my life, out of my mind
Out of the scene that we can't defind
We've bin together but so alone
Trying all the tricks but no
Out of my head, out of my bed
Out of the dreams that we had, they're bad
We ain't nothing but
Fairytale Destruction

We get out

We can't cry the night away
We can't find a need to stay
Only lieing words would sound there on our side

Out of my life, out of my mind
Out of the scene that we can't defind
We've been together but so alone
Trying all the tricks but no
Out of my head, out of my bed
Out of the dreams that we had, they're bad
We ain't nothing but
Fairytale Destruction
