

I Can Break Your Heart

Sunrise Avenue

High Heels fit your confidence on the dancefloor
they all sit and eat you with their eyes, yeah
you think you are too good for anyone
I can do you a little favour,
I might bring you down before you rise to high

I can break your heart
cause you need it, oh baby
you will have a better life when you been through that
I can make you cry and you'll be a better lady, forevermore

baby you don't need
the guys with fast and shiny cars
yeah, what you're looking for
is an average guy who takes you far
you think you got a hard stone behind your shield, yeah
somedays some neighbor boys gonna get you girl and melt you down

I can break your heart
cause you need it, oh baby
you will have a better life when you been through that
I can make you cry and you'll be a better lady,
forevermore, forevermore, hey

I can break your heart
cause you need it, oh baby
you will have a better life when you been through that, yeah
I can make you cry and you'll be a better lady,
forevermore, forevermore, for
