Karmageddon

testimony of silence new future destroyed the light give us masks and we will tell the truth coz we got demons to fight wake up in different places moments away from the dream give us masks and we will tell the truth coz the fire has to be seen karmageddon! karmageddon! karmageddon! karmageddon! invisible nightmare new noise is coming by night give us masks and we will tell the truth coz we got demons to fight karmageddon! karmageddon! karmageddon! karmageddon! watch out, watch out watch out, watch out watch out, watch out watch out, watch out karmageddon! karmageddon! karmageddon! karmageddon!
