Sunshine

One chance, a chance to bliss  
One try, one bloody kiss  
No mercy here, show me the fist  
That's just the way it is, just the way it is  
If that's the only choice, get up and raise you voice  
If that's your only chance, move up and dance  
If that's the only chance, untie you hands  
Just wanna give us one more chance, yor compromising Mr.Devil  
Right before I will slice my wrist, are you gonna be my lover?  
City in silence, enemies and witches  
City in silence, the house of beautiful bitches  
City in silence, monkeys and witches  
City in silence, a weird place, it itches  
If that's the way it is, get me out of this  
If that's the way it is, show me the fist  
If that's the way it is, then you're the one who missed  
If that's the way it is, then that's the way it is  
Just wanna give us one more chance, your compromising Mr.Devil  
Right before I will slice my wrist, are you gonna be my lover?  
I never been through this kind of pain, nor got any chance, nev  
er won any game  
I tried my best, why are you treating me badly, I don't belong  
to you, your life is a mess  
What I see is fake, girl, follow me back, either play with my p  
atience or braking my neck  
Quarter of the night is over, I said it's gonna be long walk  
And she said, she said, she said, she said, she said  
When I am not myself, I am disbelieving bitch  
Hit me one more time and I said:taptada-taptadadada  
I better take you home, the streets are empty now  
It's too late and cold outside she said: taptada-taptadadada  
I told you to stop before someone calls the cops  
She keeps the music down and she said:taptada-taptadadada
