

Vampire's Dancehall

Sunshine

one two three four watch out you over froze deal done night floating lights you saved my life cut thru slice of my heart for you slip down to reach your soul kill shit give me a bite swallow then throwing up i'm watching hypnotized you're looking up fight me overdose you lick it up let me overflow you better stop fight for goddamn life why are you so fucking needy so naive you fall in love with you there is nothing i wanna do for you i used to be the one come on baby what's your sign now you're justified don't worry meet me at 17 and rock'n'roll just beat me up and watch me bleed do you wanna dance do you wanna make love do you wanna fuck let's go blame me for not seeing you we used to play black dice you're charming gloomy twister well sista game is over i am outta here for good scars gonna heal so soon just put some acid on cuz' i'm so lonely now i wanna be stiff and loved too you're vicious you fuck me over blue get 7 up smash me down on you we always choose the number slip down to reach your soul welcome to vampire's hall what you see is fake let me tell you something straight now you're justified :... why you've got sweaty let's go we'll find it out you looking up :... slip down to reach your soul welcome to vampire's hall what you see is fake let me tell you something straight now you're justified :...she is so coked up and fuckin' sucking my blood
