Atomik Lust

Super Furry Animals

If your moon should eclipse me And block out my sun Ride on typhoons and hurricanes Watch skymap on re-run Fine times to walk on wine Heads down, no stress Find some atomik lust Whenever more or less So long, the thrills long gone No more duress No more atomik lust Whenever more or less Let's get our shit together Insane with crack brains I'd love to see the ending someday Of Citizen Kane Fine times to walk on wine Heads down, no stress Find some atomik lust Whenever more or less
