

Back on a Roll

Super Furry Animals

Back on a roll, the record's gone gold
Get on with the show
Don't see the point of us going home
Yes we rock and roll
Buying shit on the go, driving Denver snow
Getting on with the show
On with the show, back on a roll
Don't see the point of us going home
Back on a roll, record's gone gold
Get on with the show
No need to fucking phone home
Yes we work in the dark, sometimes living it large
Colors we can see, listen cat frequency
Cat frequency, those cat frequencies
Hello kitty remember me
Back on a roll, the record's gone gold
Get on with the show
Hello kitty remember me
Back on a roll, get on with the show
No going home
Back on a roll, get on with the show
No going home, no going home
