```
Bad! Bad! Bad! Behavior
Bad! Bad! Bad! Behavior
Bad! Bad! Bad! Behavior
Bad! Bad! Bad! Behavior
Bad behaviour
Was my saviour
Making mischief
Used to make my day
Subsequently
Accidentally
I put my fist
Through a windowpane
Bad! Bad! Bad! Behavior
Bad! Bad! Bad! Behavior
Bad! Bad! Bad! Behavior
Bad! Bad! Bad! Behavior
I remember
Once I had a brain
Amnesia
Never crossed my mind
Tonsillitis
Was my alibi
Truancy was
My vocation
Bad! Bad! Bad! Behavior
```
