### Super Furry Animals

(Super Furry Animals)  
Have you heard about the bat,  
Eats your goat and then your cat.  
Soon enough you will not smile,  
If you see it you'll run a mile.  
Soy super bien soy  
Super super bien soy  
Bien bien super bien  
Bien bien super super.  
From Mexico it came to me,  
I saw it down in Miami.  
It vamps in and out of style,  
If you see it you'll go loco.  
Soy super bien soy  
Super super bien soy  
Bien bien super bien  
Bien bien super super.
