

Happiness is a Worn Pun

Super Furry Animals

What a marvelous dress
You look like a murderess
A ba-ba-Barbarian
Dyslexic librarian
She looks me in disgust
There's no room for discourse
I shake like a quaker
So see you later
We're wrong, we're wrong
We're wrong, we're wrong
She fake like a painter
Who dance-a Korea
Me pagan consumer
Be consumed by fear
Dysfunctional sasquatch
Enough only gnarly
It's not tragedy
It's funny every
We're wrong, we're wrong
We're wrong, we're wrong
And the sasquatch says
Happiness is a worn pun
Happiness is a worn pun
Happiness is a worn pun
Happiness is a worn pun
Happiness is a worn pun
Happiness is a worn pun
We're wrong, we're wrong
We're wrong, we're wrong
We're wrong, we're wrong
