

## Juxtaposed with U

Super Furry Animals

It's easy when you know how  
To get along without biff, bang, pow  
And if I see that you're fed up  
I'll stop and give you a leg up  
Overpriced unreal estate  
Surreal estate  
The highest price they've hit to date  
Creating new divides and tension  
You've got to tolerate  
All those people that you hate  
I'm not in love with you  
But I won't hold that against you  
You've got to tolerate  
Some of those people that you hate  
I'm not in love with you  
But I won't hold that against you  
This is a tale of two situations  
Mutual appreciation  
Away from narrow preconception  
Avoiding conflict, hypertension  
Non-phobic word aerobic  
This was my domain  
Till someone stole my name  
You've got to tolerate  
All those people that you hate  
I'm not in love with you  
But I won't hold that against you  
You've got to tolerate  
Some of those people that you hate  
I'm not in love with you  
But I won't hold that against you  
Let's get juxtaposed, juxtaposed  
Just suppose I juxtaposed with u  
Let's get juxtaposed, juxtaposed  
Just suppose I juxtaposed with u  
Let's get juxtaposed, juxtaposed  
Just suppose I juxtaposed with u  
Let's get juxtaposed, juxtaposed  
Just suppose I juxtaposed with u  
You've got to tolerate  
All those people that you hate  
I'm not in love with you  
But I won't hold that against you  
You've got to tolerate  
Some of those people that you hate  
I'm not in love with you
