

## Lazy Life (Of No Fixed Identity)

Super Furry Animals

Reactionary meltdown  
No one could be bothered  
It's a lazy, lazy life  
Such a lazy, lazy life  
I was feeling hungry  
Didn't have no money  
So you let me in your door  
Didn't know where I'd been before  
Oh no  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
Iron out the creases  
Rip it up to pieces  
And it felt so horrible  
'Coz we're gonna make them die  
Liquidize your muffins  
Stick 'em in the frying pan  
It's all the rage today  
Just to say that's all so cool  
Oh no  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
We've got the first chance  
Of beating all of me  
We've got 'em shut down, bumped up  
Stuck up my oak tree  
I feel sorry for you  
If you categorize me  
'Coz we are of no fixed identity  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life  
It's a lazy life
