

## No Sympathy

Super Furry Animals

I have no sympathy for you  
You make me realize  
The who I am  
I have no sympathy for thee  
You make me realize  
The who I am not  
Sympathy, sympathy  
You want some  
Don't come to me  
Don't try me for sympathy  
I don't feel sorry for thee  
You deserve to die  
You deserve to die  
I have no adjectives for you  
And have no feelings  
For the who you are  
I feel no empathy for you  
You make me realize  
The who I am not  
Sympathy, sympathy  
You want some  
Don't come to me  
Don't try me for sympathy  
I don't feel sorry for thee  
You deserve to die  
You deserve to die
