

Psyclone!

Super Furry Animals

Pterodactyl, brontosaurus
Tyrannosaurus Rex
Gather around
The sound of thunder now awaits us
A meteorite is coming on down
Count your chicken
We're takin' over
Take the turbulence and twinkle your toes
Count your chicken
We're takin' over
Take the pressure and take it away
Chicken, chicken
Keep on talkin'
See a mother ship in the sky
Space invader takin' over
Time is chicken
Tickin' away
Count your chicken
We're takin' over
Take the turbulence and twinkle your toes
Count your chicken
We're takin' over
Take the pressure and take it away
I feel a Psyclone comin' on
I feel a Psyclone comin' on
I feel a Psyclone comin' on
I feel a Psyclone comin' on
Count your chicken
We're takin' over
Take the turbulence and twinkle your toes
Count your chicken
We're takin' over
Take the pressure and take it away
I feel a Psyclone comin' on
I feel a Psyclone comin' on
I feel a Psyclone comin' on
I feel a Psyclone comin' on
