

Show Your Hand

Super Furry Animals

I can see flowers wilting in the sun
Delusions of grandeur
Can overcome anyone
You're perched up so neatly on the fence
You're keeping your cards all to yourself
Show your hand now
Show your hand now
Show your hand now
Show your hand
I'm jumping off the fence
Into your corner
Turn your face to the sunshine
And all the shadows will fall behind
Walk to your future
Leave your troubles to one side
You walked the plank
And made it through
The chance is a million to two point two
Whatever
Show your hand now
Show your hand now
Show your hand now
Show your hand
I'm jumping off the fence
Into your corner
Bah, bah, bah...
Show your hand now
Show your hand now
Show your hand now
Show your hand
I'm jumping off the fence
Into your corner
Show your hand now
Show your hand now
Show your hand I'm
Showing my hand and
I'm placing all my bets
Onto one number
Show your hand now
Show your hand now
Show your hand I'm
Showing my hand and
I'm jumping off the fence
I'm jumping off the fence
I'm jumping off the fence
Into your corner
