

The Gateway Song

Super Furry Animals

This song is a gateway song
Why don't you sing along-long
To the gateway song
Brings us up nicely to the harder stuff
And once you get hooked
You can't get enough, oh yeah
This song is a gateway song
It's a numero uno sing-along
Opens up nicely to the harder stuff
And once you get hooked
You can't get enough, oh yeah
This song is a gateway song
