

# Love To Be Loved By You

Super Junior

I can't believe I'm standing here  
Been waiting for so many years and  
Today I found the Queen to rein my heart

You changed my life so patiently  
And turned it into something good and real  
I feel just like I felt in all my dreams  
There are questions hard to answer  
Can't you see?

Baby, tell me how can I tell you  
That I love you more than life

Show me how I can show you  
That I'm blinded by your light

When you touch me I can touch you  
To find out the dream is true  
I love to be loved by you

You're looking kind of scared right now  
You're waiting for the wedding vows

But I don't know if my tongue's able to talk

Your beauty is just blinding me  
Like sunbeams on a summer stream and

I gotta close my eyes to protect me

Can you take my hand and lead me  
From here please

Yeah, yeah

Baby, tell me how can I tell you

That I love you more than life

Show me how can I show you

That I'm blinded by your light

When you touch me I can touch you

To find out the dream is true

I love to be loved, I need to be loved

I love to be loved by you

I know they gonna say our love's not

Strong enough to last forever

And I know they gonna say that we'll give

Up because of heavy weather

But how can they understand

That our love is just heaven sent

We keep on going on and on

'Cause this is where we both belong

Oh, baby, you

Tell me how can I tell you

That I love you more than life

Show me how can I show you

That I'm blinded by your light

When you touch me I can touch you

To find out the dream is true

I always loved you more than life

Show me how, yeah, yeah, yeah

Baby, when you touch me, don't you know?

I love to be loved

I need, yes, I need to be loved

I love to be loved by you

Yes, I love to be loved by you
