

The Lucky Ones

Super Junior

What I want in the end becomes really simple
Wealth and honor and movies are fine
Nice clothes and a fancy car too

I can easily get what I want
But they're not the only things I want
I've never been too greedy but
I'm holding onto you

Now everything is perfect
Feels like I have the world
Drunk with this song that resembles you
It's enough to just look at you

Oh I know I'm Lucky Lucky
Lucky Lucky Lucky to have recognized you
Lucky Lucky Lucky
Lucky Lucky to love you
Lucky Lucky Lucky
Lucky Lucky, you

I won't ever let you go
I won't ever let you go
(Let's go)

Even when you get mad and upset, I like that too
After a few minutes, we'll hug each other again
I used to do whatever I want
But my life is divided into before and after I knew you

Now everything is perfect
Feels like I have the world
Drunk with this song that resembles you
It's enough to just look at you

Oh I know I'm Lucky Lucky
Lucky Lucky Lucky to have recognized you
Lucky Lucky Lucky
Lucky Lucky to love you
Lucky Lucky Lucky
Lucky Lucky, you

I won't ever let you go, I just need you
I won't ever let you go, I just need you
(I just need you)

Now everything is perfect
Feels like I have the world
Drunk with this song that resembles you
It's enough to just look at you

Oh I know I'm Lucky Lucky
Lucky Lucky Lucky to have recognized you
Lucky Lucky Lucky
Lucky Lucky to love you
Lucky Lucky Lucky
Lucky Lucky to have you

Lucky Lucky Lucky
Lucky Lucky to have you by my side
Lucky Lucky Lucky, you

I won't ever let you go
I won't ever let you go
Will you be with me?
