

# Just Like The Old Days

Superbus

Show me how you do it  
Could you play it loud?  
I like this kind of music  
I like this kind of sound  
Show me how you're dancin'  
I like the way you move  
Everybody's feelin'  
The 1980 groove

Refrain

Just like the old days  
Feeling you always  
Ready to dance all night long  
Just like the old days  
Feeling you always  
Ready to dance all night long  
Show me, show me your love  
Are you movin'out tonight?  
Just like the old days  
Show me, show me your love  
Show me, show me your love  
Just like the old days

Just like the old days (X2)

Show me how you do this  
I like the way you dance  
You're steppin' on the dancefloor  
Like no one else  
Show me how you're dancin'  
I like the way you move  
Everybody's feelin'  
The 1980 groove

Refrain

Just like the old days (X3)

Show me...  
Show me, show me your love (X2)

Show me how you do it  
Could you play it loud?  
I like this kind of music  
I like this kind of sound
