

Let Me Hold You

Superbus

Let me hold you, let me hold you
Please make up your mind
Let me touch you, let me touch you
I know, I'm not a guy
Let me kiss you, let me kiss you
Please make up your mind
Let me show you
Let me show you
I'm sure it will be fine

I wake up in the morning
What are you gonna say
If I tell you I've been sleeping
With you mile away
I wake up in my fantasy
I wake up in my dream
But I know you don't belong to me
And I must erase the scene

Let me hold you, let me hold you
Please make up your mind
Let me touch you, let me touch you
I know, I'm not a guy
Let me kiss you, let me kiss you
Please make up your mind
Let me show you, Let me show you
I'm sure it will be fine

I'm sorry if I bother you
But you know it's just a game
I need to feel something new
Come on let's try again
I'm sorry if I hurt you
But you know I'm not the same,
I need to feel something new
Come on, let's try again!
