

Feeling Like I Do

Superdrag

Come on baby. get me into the car.
Out on a bender and waiting for you.
Get me out of the bar.
I don't feel like staying.
I just want something to do.
I just wanna sleep it off with you. pour me into you.

Come on baby.
Get up just to get down.
Out on a bender and waiting for you.
Count me out on the town.
I don't feel like staying.
I just want something to do.
I just wanna sleep it off with you.
Pour me into you.
I don't want you feeling like I do.
Yeah yeah.
I just want you twisted with me too.
Yeah yeah.
I don't know what I've been trying to prove.
Yeah yeah.
Every time I get too fucked to move.
Yeah yeah.
