Superdrag

Looking for a kiss that'll knock me out Sugar numb my lips again Cause I know the score I know the score Looking for a girl that'll stick around That'll let me down slow Cause I know the score I know the score Could it be you? I got nothin else to do And I've got no thing to lose Give me a shot Could it be real? I got nothing left to steal And I'm too fucked up to feel Give me a shot Here I am give me what you got Looking for a gas that'll get me high That'll get me there fast Cause I need the score Looking for a girl that'll stick around That'll let me down slow Cuase I know the score. I know the score Could it be you...
