

## Way Down Here Without You

Superdrag

I've got a reason to be sad.  
And I've got a reason to feel like I've been had.  
But I would give most anything. to see you smile at me again.  
I don't know (since you've gone)  
I don't know (since you've been gone) what I'm supposed to do.  
Way down here without you.  
I don't know (since you've gone)  
I don't know (since you've been gone) what I'm supposed to do  
Way down here without you.

I know you won't be coming home.  
And it makes me feel so afraid of the unknown.  
But I would give most anything. to see you smile at me again.  
I don't know (since you've gone)  
I don't know (since you've been gone) what I'm supposed to do  
Way down here without you.  
I don't know (since you've gone)  
I don't know (since you've been gone) what I'm supposed to do  
Way down here without you.

You still mean a lot to me, yeah.  
You still mean a lot to me.  
More than a memory to me, yeah.  
More than a memory to me.
