

Kuta Rock City

Superman Is Dead

Getting dressed and getting drunk, make some noise don't left behind

And the scars around your back

Never slip and never fall, we are young and we are free

So we sing it loud and clear

Like a rocket like a bomb, do we have to take it slow

BRIDGE:

And then here we are again

Tequila blast and Cadillac girls with the music swingin' (really) hard

CHORUS:

In Kuta Rock City, where the evil dance

Kuta Rock City, where the hero dies

Kuta Rock City, where's all my cash

Kuta Rock City, please don't break my heart again

It is late and getting hot, with the engine running fast

Story of suburban trash

Against every think you know, like a rebel with a gun

No time for society

Recognize and realize, move be just a little fast
